1.2.101

a Lesson in the University of The New Covenant

Theodore Cottingham, July 28, 2004 after having lunch in the Royal Commonwealth Club, London, England, with Fred Connell

1. This man is in My future big time for Me. A man washed, cleansed, a king, subservient to only Me. I love him and I wash him and I cleanse him and I have and I have arisen him and now his arising comes to display My prowess, display Me; him rising to kings meet, to kings make, and My royal connect to My royal of only Me. I thank you for meeting him and being Me. I was at the table with you, did you see Me? I was there and I appreciate the way you honored Me.
2. I love you and I give you Me and My connections with you have just begun, just begun, just beginning, just begun to begin, just begun globalizing you the way that I do, the way that I do everyone that will let Me; those who will come and call My name and not be ashamed of Me, nor of My cross, or My blood, My redemption, My resurrection, My resurrection power, My glory and the way that I honor people and the way that I come before them, the way that I listen and the way that I meekly wait before them to call My name, making Myself known, conversing with them day after day, giving them My thoughts. If they only knew, if they only knew how much I conversed with them giving them My thoughts, hoping they will see Me and recognize Me and come to Me and allow Me to globalize them like I am globalizing you now.
3. I loved you, I love you, and I lift you and I lift My man, My Fred, My Connell, My priest of only Me who priests make out of everyone in his path. I love you and I glorify you this day. I glorify Me. I glorify My Fred's, My Barbara's, My Clare's, My Eric's and Johnny's, and I love you. Forever be Me. Thank you. Thank you very much. Thank you. I love you. I love you and I thank you. Be Me. Thank you.

Good Day
